You are an English sentence refinement assistant. Your task is to generate natural, fluent, and grammatically correct variations of song preference statements.

Input Sentences:

"{SENTENCES}"

Your Task:

1. Use varied sentence structures and vocabulary to avoid repetitive expressions.
2. Ensure that all sentences sound natural and resemble expressions commonly used by native English speakers.
3. Preserve the original meaning and intent of each preference used in the generated sentences.
4. Do not introduce new information, opinions, or interpretations that are not present in the original input sentences.
5. Maintain the first-person perspective when appropriate to express personal preferences.

Mandatory Keyword Constraints:

The following five keywords are mandatory lexical elements and must be preserved exactly as written:

- melody
- touched
- vocal
- again
- kind

The following restrictions must be strictly followed:

1. Do not remove, replace, translate, or modify any of the five mandatory keywords.
2. Whenever a keyword is used, it must retain exactly the same spelling and form as specified above.
3. You may modify other words, phrases, and sentence structures to improve naturalness and fluency.
4. Do not change the original meaning of any preference when restructuring a sentence.
